Atrium in Fort Dunlop

Fort Dunlop external

Fort Dunlop Fort Parkway Birmingham B24 9FD

We have kept all the best old bits of the building and poured new ideas into the shell. We've cut holes through the building providing a stunning atrium, planted a new green roof and bolted a new hotel onto the end.

Fort Dunlop is now home to over 47 tenants; it houses the headquarters for The Birmingham Post & Mail, Service Birmingham (Capita), Secretary of State, Ford and many others ranging from structural engineers, building contractors, quantity surveyors, accountants, insurance companies through to design consultants and PR firms.

Fort Dunlop boasts an array of on site retailers including a coffee shop/sandwich shop, restaurant, convenience store and even a 100 bed hotel.

Location

Fort Dunlop occupies one of the most prominent and accessible sites in the country, adjacent to the M6 between junctions 5 and 6 of the motorway.

The M6 links directly to the M5, M42, M1 and M69 which in turn connects to almost all of the major motorway networks in the UK.

Fort Dunlop is located on the A47, Fort Parkway which takes you directly to the City Centre in around ten minutes by car. We even have our own funky double decker bus complete with wifi which shuttles to and from the City Centre at peak hours.
